

## HAMILTON COUNTY JUVENILE COURT

---

### **Objections to Magistrate's Decision,      Motion to Set Aside Magistrate's Order    or** **Motion for Reconsideration of Magistrate's Decision/Order**

**Instructions for Filing:** If you think that the magistrate has not determined the factual issues or applied the law correctly, you may file **Objections to the Magistrate's Decision** or a **Motion to Set Aside the Magistrate's Order**. If you were unable to attend the hearing before the magistrate due to transportation or technological issues, or you believe you were not properly served or notified of the hearing, you may file a **Motion for Reconsideration**. Blank forms are available from the Clerk's Office or you may prepare your own. Your request must be in writing, and typed or neatly handwritten. At the top, include the case number and the hearing, **Objection to Magistrate's Decision, Motion to Set Aside Order, or Motion for Reconsideration**. You must include the date of the order or decision and the specific reasons for your motion or objection. Use clear and concise language. If you are unsure whether the magistrate's action was an **order** or a **decision**, review the magistrate's written report of the hearing. The heading at the top of the page should include 'Order' or 'Decision.'

A Motion to Set Aside must be filed no later than 10 days after the Magistrate's Order is filed. Objections to a Magistrate's Decision must be filed within 14 days of the filing of the Magistrate's Decision or within 10 days of the filing of another party's objections. You must serve the Motion or Objection on all parties.

**Scheduling the Hearing and Serving the Parties:** The Clerk's Office will provide you with the date and time and the judge's name for the initial hearing on your Motion or Objection. You then must serve, by regular mail, your Motion or Objection on all other parties or the opposing side. To obtain service, you must submit a Written Request for Service form to the Clerk's Office and include the date and time of the hearing and the judge's name. Blank forms are available from the Clerk's Office.

**Written Transcripts; Estimates and Costs:** In most cases, the judge will need a written transcript of the hearing(s) to review the magistrate's action. You are responsible for contacting the Court Reporter and ordering the appropriate transcripts. Fees to prepare a transcript are charged by the page. A general estimate for a half-hour hearing is approximately \$100-\$150. It is recommended that you promptly contact the Court Reporter to get an estimate of the cost for your case and identify the hearing date(s) to be transcribed. It is your responsibility to select the hearing dates that are to be transcribed when you order the transcript.

The Court Reporter may require you to submit a written order. The Court Reporter will not begin transcription until payment arrangements are made and you submit a written order if required. If you fail to submit your order to the Court Reporter in a timely manner, your objection or motion may be denied.
